We are members of the best —
Our school — CHS.
CHS, standing proudly above all the rest,
Proudly raising its people, its life, its spirit
For all to admire.
For all to admire, and to prove
That all three — its people, life, and spirit
Radiate the excellence known only to the best.
Known only to the best.
Our school — CHS.

This CHS is a mighty big place.
But what is it without its people?
A pile of bricks and wood — nothing more.
People make and have made our school —
Laughing people, sad people — wonderful people.
Teachers, students; these are our people.

Laughter, sadness, triumph, failure.
Experiences of life.
"Man does not live by bread alone."
Nor is this his desire at CHS.
To laugh, to cry, to triumph, yes, even to fail —
This is the life we love at CHS.

Living people make a Spirit, which is forever.
Spirit, the unseen force
Binding us all behind our cause,
Pushing us toward the summit.
To Spirit we owe the depth of our year
And the memories we will always hold.

Just a little sentimental about our year.
About our people, our life, our spirit.
Not a year to be recorded and forgotten.
Not this year, our year.
It is a year to be kept, remembered, cherished.
Kept, remembered, cherished . . . Forever.

No props plus weird expressions equal senior play practice.

The way to a student's heart is through his stomach?

Art students learn water color techniques under the direction of Mrs. Johnston.

Bonfire before the Homecoming game helps to boost school spirit.

Reflections of Our Year

The crystal ball looks black for avid Vol fan, Mr. Blanchard, as Georgia Tech beats Tennessee 14—7.

New members of the Girls' Optimiss polish trophies as a part of their initiation.

Companies pass in review during practice for Parents' Night.

People

This CHS is a mighty big place.
But what is it without its people?
A pile of bricks and wood — nothing more.
People make and have made our school —
Laughing people, sad people — wonderful people.
Teachers, students; these are our people.

ROW ONE, left to right: Mr. George C. Hudson, Mrs. J. B. Irvine, Mr. S. Dean Peterson, Mr. Raymond B. Witt, Jr. *ROW TWO:* Dr. Bennie Carmichael, Mr. Gordon T. Kellett, Mr. Corley R. Young, Mr. William Leber.

Dr. Bennie Carmichael
Superintendent of Schools

The function of the Board of Education is to investigate the financial needs of the city's schools. Financial assistance helped in giving Chattanooga High School the new language laboratory and chemistry laboratory. For such needs the Board can request sufficient funds from the city commission.

Mr. S. Dean Peterson, Commissioner of Education, presides over all meetings of the Board of Education. Mr. Peterson's vote breaks the tie when an election or any matter is not complete.

Dr. Bennie Carmichael serves as our new Superintendent of Schools. Dr. Carmichael recently served as Co-ordinator of the Research and Development Program at Peabody College. He received his B.A. and M.A. degrees from the University of Tennessee, and doctorate from George Peabody College.

Seniors

As we think back, we recall the beginning of our life at City High. Our sponsor, Mrs. Royer, was a tremendous aid in acquainting us with our new school. Our class began its activities with a Sophomore party and Thanksgiving program. In our junior year we proved to be successful with the presentation of "One Foot In Heaven." These two years were exciting and wonderful, but nothing could compare with THE year . . . when we became seniors.

Of all the wonderful, exciting, and bewildering experiences that confront a person in high school, none is quite so exciting, quite so wonderful, or even quite so bewildering as his senior year. We have reached the summit of our high school careers, and our senior year is certainly a fitting climax to that career.

This has been a year filled with wonderful things: with friendships, knit by common experiences of fun and work; with work and play in the familiar halls of CHS; with the greatest feeling of belonging that a person ever knows.

This has also been a year of exciting things: with a highly-prized and hard earned possession . . . our senior rings; with pep-rallies, bonfires, and never-to-be-forgotten football and basketball games; with the Christmas program for the orphans; with the Jr.-Sr. Prom; with exams, graduation activities, and finally graduation.

Perhaps, most of all, our senior year is one filled with bewildering and even frightening things: with a feeling of tense anticipation of what is to come after graduation — college or vocation; with a loneliness that comes from responsibilities of leadership; with a certain nostalgia, such as that feeling in the pit of one's stomach when he hears our mighty fight song or the familiar Alma Mater for the last time.

Although time will cause many of the memories to grow dim and distance will separate us from CHS and each other, although far greater and more important experiences will crowd every life, what we have learned and what we have shared will never be forgotten. Rather they will grow brighter and closer to the heart and mind of every senior who has learned at CHS.

Mrs. Royer, senior class sponsor, instructs class on future class activities.

"61 Gets Things Done!"

Ring Chairman, Sally Holland, takes an order from an eager senior.

Juniors

On the following pages are the members of the class of 62. With Alexis Moser and Bill Luttrell serving their class as President and Vice-President, respectively, the Juniors prepare to take the reigns of the school. Assisting Alexis and Bill is the prettier half consisting of Mary Gregg as Treasurer and Sara Thornburg as Secretary.

The Juniors played a great part in school activities and the sport's world. Our fine athletic teams would have been out of luck without these "62 supporters."

"Best to you from 62," was the theme of the Junior Talent program. Senior dramatic greats agreed that there was no deficiency in talent and we're all looking forward to the Junior Play.

Class of '63

President:
James Rush

Vice President:
Gordon Lee

Secretary:
Ann Collison

Treasurer:
Mary Jane Thomas

The class of '63 started off their year at CHS with the election of class officers. They waged vigorous campaigns which ended in the selections of very fine officers.

Each year the sophomore class has a get acquainted party. This year's class chose a western theme, and many classmates came dressed western outfits.

The sophomore class has as its responsibility and money making project the coke room. They are in charge of distributing cokes to different classes for coke parties, and also the maintenance of the room itself.

The sophomores showed their ability to produce an entertaining program by presenting one of the best talent programs given this year. At Thanksgiving they showed their more serious side by presenting a very inspirational program. Assisted by the Girls' Glee Club, the program was a wonderful introduction to the holiday season.

All in all the class of '63 has made many valuable contributions to our school. We wish them the best of luck and happiness throughout their stay at CHS.

Many of the sophomores enjoyed playing get acquainted games. Here is a scene from the sophomore party.

These two couples look like they have just held up the bank. Diane Marlowe, Cary Davenport, Sandra Sullivan, and John Sweets.

All the sophomores seemed to enjoy their first dance at CHS. The gym was decorated in the western style complete with a jail, a country store, and bank.

They had this dance to help them become better acquainted with their classmates. Everyone took part in the dancing and playing of get acquainted games. Those who did not go seemed to have missed a good time.

Ellen Steffy and Pam Keaton liked the old west way of doing things. Here they hold their captives at gun point. Bruce Romick and Tommy Brudenell seem frightened as they think of being captured by these two.

Life

Laughter, sadness, triumph, failure.
Experiences of life.
"Man does not live by bread alone."
Nor is this his desire at CHS.
To laugh, to cry, to triumph, yes, even to fail —
This is the life we love at CHS.

The Student Council is the student government at C H S, and its members wield considerable power with their suggestions and decisions. Col. Bates, the sponsor, assists the student council with their business and acts as faculty advisor in matters concerning the student body as a whole. Each morning the Council meets to discuss types of school interest, and upon adjournment, they go to their respective homerooms to read the daily announcements. Each spring the homerooms elect their new Student Council representative for the following year.

But all is not strictly business for the Student Council, for during the year, they have many parties for members only and for the school. Each spring all the members enjoy a houseparty at Camp Ocoee.

DYNAMO EDITORIAL STAFF

Class night is always an important night, but the most important thing about it is receiving your DYNAMO. Many months of work and preparation are spent in presenting this publication. Copy, layouts, deadlines and pictures make up a small percentage of what is put into the DYNAMO.

The DYNAMO is a photographic record and summary of school life. This year many new surprises were in store for students. Color was used for the first time which added a special treat. An extra added attraction is the supplement. It will contain all the events such as Jr. Play, Spring Formal, Spring Sports, May Day, Jr.-Sr. Prom and Graduation, which have not been in the DYNAMO before this year.

With all the working hours there is still time-out for enjoyment. Special events were celebrations for meeting the deadlines with parties and dinners. This year the DYNAMO licked the Maroon and White by an over-whelming margin in the Powder-Puff Game, 0—0. The Dynamo had an unofficial touchdown.

The maintenance and the financial operations of a school annual can be a task of gigantic proportions. There are no finer experts, however, that you could find at Chattanooga High School than the DYNAMO Business Staff.

The main source of funds is the sale of the advertisements printed in the annual. Each member of the staff is required to sell at least ten or more spaces; so there is a tough job to handle.

For many years the DYNAMO has sponsored the production of Stunt Night. The profit from the production is also one of the main supports to the staff. One of the favorite projects of the girls on the staff is the Powder Puff Football Game in which both the DYNAMO and Maroon and White staffs participate.

Business Staff

It takes more than news, articles and pictures to publish a school paper. Getting student subscriptions and ads are the Business Staff's task. Tact and persuasion come in handy when trying to convince a busy man he should buy an ad for the school paper.

After the paper has been printed, the business staff is in charge of the distribution of it which includes sorting it into homerooms and delivering it.

To encourage the sale of the paper they sponsor "Bermuda Day" in which students and teachers alike participate.

PIVOT Staff

Each year the incoming sophomores receive a school handbook, the *Pivot*. In this important little book are found many varied and useful items — rules for social functions, curriculum set-up, awards — in general, the make-up of CHS.

The staff is comprised of juniors, who are selected at the beginning of their junior year on the basis of journalistic ability and dependability. The old staff and Miss McCrary orientate their duties to the new staff each year. The 1961 *Pivot* was edited by Kay McElroy.

SEATED: Ray Deering, J. Ullenberg. *STANDING,* left to right: Karol Ingersoll, Ann Pederson, Rosie Dynesius, Chuck Smith and Barbara Phillips.

DRIFTWOOD Staff

If you are an aspiring author or a blooming poet, you might be lucky enough to have something published in *Driftwood,* the school literary magazine. Mrs. Johnson, the sponsor, urges all who are interested in *Driftwood* and what it stands for to either attempt to become a member of the staff or to have something published. At various times during the year *Driftwood,* full of literary "goodies," is published and sold to the students. New members are taken on the staff each spring.

Key Club

Outstanding among the boys' service clubs at CHS is the Key Club. Its members strive eagerly and diligently to do their best to make our life at CHS a better one.

The service-minded membership has undertaken a substantial number of service projects. The Key Club publishes a student directory, sponsors the vocational guidance forums, maintains the school parking lot, and ushers at both the Kiwanis Travelogues and the Chattanooga Symphony Concert.

But it is far from all work and no play in the Key Club. Every year the members enjoy a hayride, several parties, a dance, and, to top it all off, a final houseparty at Camp Ocoee.

Boosters

The Boosters proudly take their place as an outstanding girl's service club at C.H.S. Mr. Osteen, the Booster sponsor, guides the girls through the year's activities. Besides the familiar sight of the popcorn, soft drinks, and candy bar selling, the Boosters support many of our various school projects as acts of service.

The Boosters work hard, but they are by no means unsociable. In fact, it's just the contrary. A full fun-filled social calendar is kept by the Boosters.

Tri-Hi-Y

The Tri-Hi-Y, a girls' service club with deep roots of service, does its best every year to carry out many worthwhile projects and to accomplish its goal. This goal is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. Mrs. Royer, the sponsor, helps the girls accomplish their purpose and carry out their projects. Gracing the Tri-Hi-Y list of projects are these: publishing for our girls' basketball team a printed schedule card; supporting the Athletic Association and boosting all sports; and supplying the "footballs" worn by everyone on the days before the games. Money for these are raised by doughnut sales and various other means.

The Tri-Hy-Y sends delegates to annual Hi-Y-Tri-Hi-Y conventions. This year our club helped in the organization of one of these conventions, which was held in Chattanooga.

Social activities are not excluded from the Tri-Hi-Y life with several parties taking place during the year.

The club members have worked diligently to establish and maintain their goals, that of serving CHS, in promoting high standards of scholarship and character throughout the school, and of serving their community. The La Sertomiss Club has supported the athletic programs of both the girls and the boys, donated a Thanksgiving basket, given to the Bible Love Offering, besides having participated in many other activities necessary to a well-rounded life at CHS. Their sponsor, Mrs. Darby, guides them through the course of their activities with talented leadership.

The social activities of the La Sertomiss are many and varied, with several different "blasts" during the year, such as parties, hayrides, and sockhops.

This hard-working girls' service club does their part every year for the benefit of the student body. Their sponsor, Mrs. Wertheimer, does a fine job directing the girls in their various activities around school, besides working with the Lioness Club downtown. Several of their worthwhile projects are conducting different school-wide surveys, participating in the Toys-for-Tots Campaign, and sending the *Dynamo* Editor to a yearbook clinic. Besides service to the school, the Jr. Lioness Club conducts a very active social life, having many parties and other social activities during the year.

Bulldogs

The CHS stage crew, the Bulldogs, really uses the "elbow grease" in their service to the school. Under the direction of Mr. Hudson and Mr. Bates, their sponsors, the Bulldogs serve such outside organizations as the Chattanooga Symphony, the Chattanooga Opera Association, and other groups when they use the CHS stage. These are the "behind the scenes" men of our stage productions.

Besides parties and other social events, the Bulldogs have their annual houseparty at Fall Creek Falls. It is here that the "pups" end their probation period and become full fledged Bulldogs.

Bankers

Throughout the school year the Bankers work hard guided by Mr. Barton, their sponsor and the school treasurer. But selling those pencils and paper is not the Bankers only job; they handle all the funds of every other club at CHS.

Breaking the monotony of the school year for the Bankers are several social functions, including a banquet and a hayride. But the big "blast" comes at the end of the year, when the Bankers have their annual houseparty at Fall Creek Falls.

YEA RAH! These slightly "offbeat" cheerleaders are J. Goff, A. Killian, D. Mahoney, and D. Dillard.

Parents Become Students

Rudy speaks to parents about the trials of teaching.

Chuck Smith helps Ann Pederson water her bouquet from the punch bowl at the R.O.T.C. reception.

On October 13, the tables were turned as the parents of City High students went back to school. The purpose of the annual Parents' Nite is to acquaint the parents with their children's teachers, subjects, and school. For this one night a year, parents are allowed to relive their golden school days by spending a ten-minute period in each of their children's classes. The main problem seemed to be getting the hang of making it from one class to another in only five minutes.

The climax of the evening was the presentation of the ROTC and Drill Squad officers and sponsors.

"Ullie the Terrible" charges towards Karol "Fearless" Ingersoll.

Climaxing the *Maroon and White*-sponsored "Bermuda Day" of October 14 was the *Dynamo*-sponsored "Powder Puff Football Game."

In a grueling test of strength and stamina, the girls of the *Dynamo* and *Maroon and White* staffs attempted by the means of several brilliant plays to outwit and outmaneuver the other. The only successful scoring attempt was made by the *Dynamo's* Jan Alred.

Half-time consisted of a performance by the boys' Drill Squad and majorettes and the crowning of Powder Puff King, Gary Payne.

C H S Celebrates Homecoming

The weekend of Homecoming festivities began Thursday night when the student body turned out en masse for the traditional bonfire. Over a ton of wood blazed and fired the spirit of the cheering fans. One local radio station reported that they "had never witnessed such a terrific display of school spirit."

Nor did spirits drop as Friday night's activities began with an alumni banquet. And then — game time! The fans remained on their feet the entire fourth quarter as the first score of the game was tallied by City. However, our lead was cut as Murfreesboro scored a TD and extra point on the first play after the kickoff. The Dynamo went into action and carried the ball from Murfreesboro's two-yard line to make the final score City 12, Murfreesboro 7. With less than a minute left in the game, Murfreesboro moved to the Dynamo one-foot line, but the Dynamo defense managed to hold Murfreesboro on our two-inch line. The jubiliant celebration was climaxed with a sock-hop in the new gym.

The Homecoming candidates and escorts: T. Smith and J. Rogers, G. Campbell and G. McCulley, B. Ford and B. Phillips, P. VonSchaaf and A. Killian, S. Bush and S. Heilman.

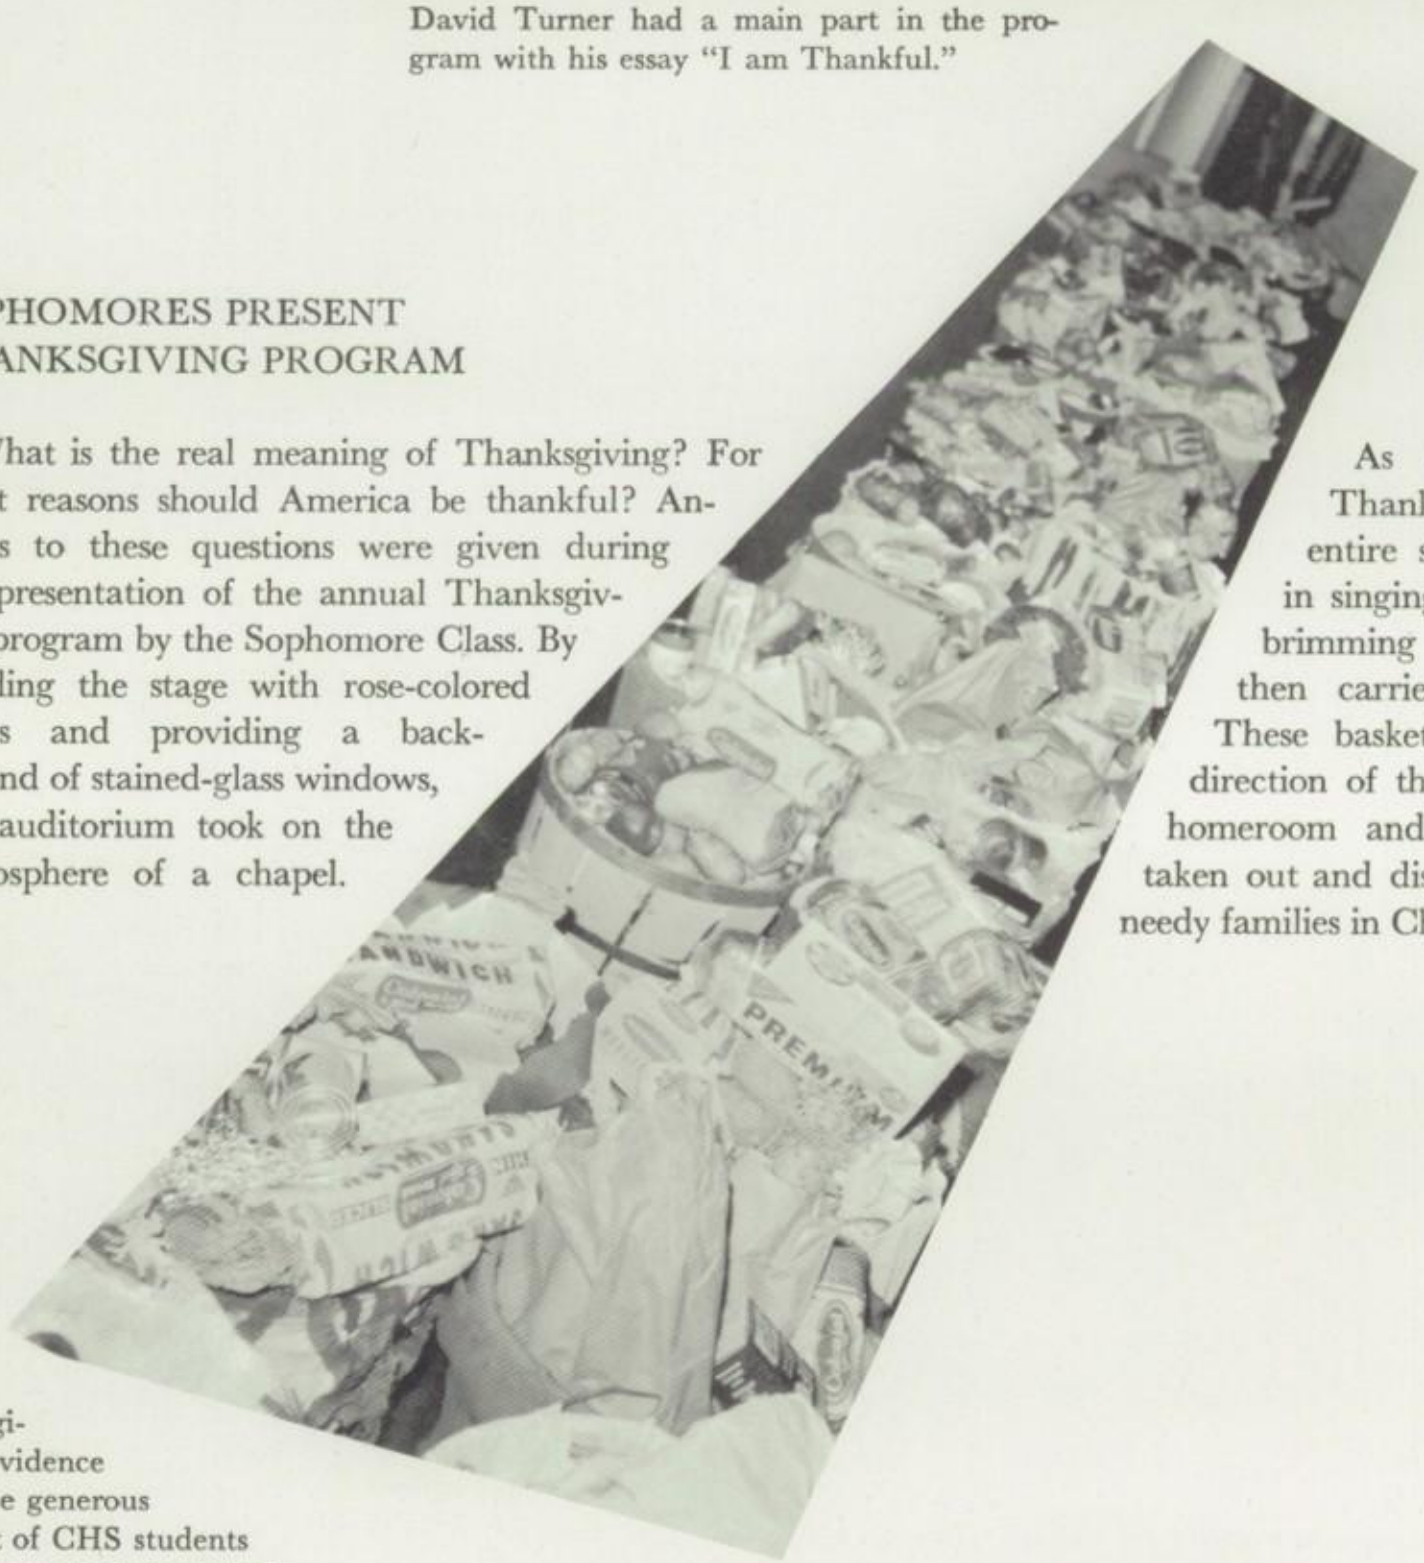
SOPHOMORES PRESENT THANKSGIVING PROGRAM

What is the real meaning of Thanksgiving? For what reasons should America be thankful? Answers to these questions were given during the presentation of the annual Thanksgiving program by the Sophomore Class. By flooding the stage with rose-colored lights and providing a background of stained-glass windows, the auditorium took on the atmosphere of a chapel.



Tangible evidence of the generous spirit of CHS students are these baskets of food.

As a climax to the Thanksgiving service, the entire student body joined in singing. Over fifty baskets brimming with food were then carried onto the stage. These baskets, filled under the direction of the Jr. Red Cross by homeroom and clubs, were then taken out and distributed among the needy families in Chattanooga.

Mock Presidential Election Held by C H S Students

The states' electoral votes are publicly announced by T. Smith and L. Schaeffer and recorded by L. Stanfield and S. Heilman.

As City High goes, so goes the nation, almost. In keeping with the attention turned to this year's national presidential election, City High held its own mock election.

Each of the forty homerooms acted as a state with from three to five electoral votes. Electors were chosen on the morning of November 8 by secret ballot. The results of each state's voting, both popular and electoral, were sealed in an envelope and sent to Congress (the Student Council). The envelopes were opened and their contents publicly announced that afternoon in assembly. The popular vote of 820 to 524 gave Mr. Nixon 148 electoral votes to Mr. Kennedy's 7.

As the votes are announced they are tabulated by C. Rush.

Seniors Present Farce, "The Matchmaker"

"Ouch!" cries Dickie Dillard as he "hits it hard."

T. Smith humbles himself before L. Stanfield in a traditional pose.

"Cheers." Alan Sear salutes the audience.

The hilarious farce in four acts, Thornton Wilder's "The Matchmaker" was presented on November 8 by the Senior Class.

Turn two country boys loose in a big city, inject a tyrannical guardian into a young romance, add one very determined, marriage-hungry female and you have all the ingredients necessary for a confusing and delightful play.

The play cast and production staff under the direction of Miss Pryor and the business staff under the direction of Mrs. Royer worked many long hours to make the play a success. "Yes sir! There's *nothing* like city life." Dickie observes.

King for a Nite

The boys received a chance to revenge their pet peeves at King For a Nite January 21. On this one night of the year, the tables are turned and the girls provide their dates with transportation, a vegetable corsage, and a "snack" after the dance.

Dickie Dillard reigned as King. He was chosen by the members of the girls' gym classes from among thirteen other candidates. Lance Schaeffer was runner-up.

Miss Linda Rich was crowned Sweetheart of the Junior Class at the Sweetheart Dance held February 4. Chosen from eight other candidates, Linda was elected by the members of her class. She was presented with an engraved silver heart.

Barbara Quinn and Bill Wenger converse during a lull in the dancing.

Linda's big prize of the night came from her escort, Skip Bowman.

Wide-eyed astonishment was a typical expression on the faces of the delighted children.

Seniors Entertain Children

What could be more rewarding than making happy the Christmas of a small child? The Seniors were given a chance to do just this by giving a Christmas party for over a hundred underprivileged children from the Chattanooga area. Ranging in age from two to six, these children were brought from such places as The Children's Home, Pro Re Bona Nursery, the Chambliss Home and the Wesley Community Center.

Sally Ratcliffe happily proclaims that "June is Bustin' Out All Over."

"One more crack about my feet . . ." says Myrna Burks to Linda Stanfield.

The Chattanooga High School Swing Band's 13th annual production of Prevues was presented January 14. In accordance with this year's theme "Cruise for Two," the musical numbers in the show revolve around the day-dreams of two small town working girls who are given the chance to escape from their every day life by taking a trip around the world.

Thunderous applause proclaimed the success of the program so ably directed by Mr. Hensen and Mrs. Betty Peruchi Workman.

Fiery music is the background for Jenny Cooper's interpretation of a Spanish dance.

J. Hamill, B. Phillips, and V. Kelly turn the stage into a "winter wonderland."

Wrestling Grows in Popularity at C. H. S.

Wrestling is called "The toughest six minutes in sports" and Coach Von Schaaf's grapplers will tell you that this is indeed true. Wrestling requires terrific physical condition, brute strength, skillful use of the various holds involved, and plenty of raw courage. Many hours of practice are required to produce a champion wrestler.

In most sports the saying goes "A good big man can always take a good little man." Not so in wrestling. The division of weight classes allows each participant to compete only with others of his size and build. This gives a 98 pounder an equal chance with a 198 pound grappler.

The system of scoring used provides individual points for throws, rides, and pins. Thus the outcome of the match is always in doubt. Team points are awarded for each decision or pin giving each boy the feeling that his efforts are furthering the cause of the team. The suspense grows throughout the match thrilling the spectators.

Rock-Ribbed Defense Marks

Red Bank 20, City 6

City's first loss came when the Red Bank Lions ramrodded to a 20 to 6 victory. Early in the second quarter the Lions scored from seven yards out and added the point-after. Several plays after the kickoff Bill McKerley took yards for the Dynamo TD. The extra point try was no good, and the half ended with City on the wrong end of a 7—6 tally. During the 3rd quarter, the Maroon defense stopped the Lions thanks to the rugged line play of Ed Sussdorf and Gary Silcox. The Dynamos then moved downfield as Powell shook off tackler after tackler to get away his passes. At the Red Bank 15, Powell threw 3 passes, the last one being intercepted by Red Bank's Joe Parrot, who scampered 90 yards for the score. The Lions last touchdown climaxed a 51 yard drive when City fumbled. The offensive star for the Dynamos was quarterback Lyn Powell who completed 7 out of 13 passes for 103 yards.

City Spills East Ridge 14—8

The City High Dynamos opened their 1960 season successfully against the East Ridge Pioneers. Late in the first quarter quarterback Lyn Powell connected perfectly to end Gary Silcox and Randy Brown added the point after to make the score 7—0. When a stout defense led by Jesse Potter and Center Brown spilled East Ridge on the 4th down, the Dynamo offense shifted into high gear. After a hard march deep into Pioneer territory Potter churned over from the 2. Again Brown added the extra point. The Pioneers gained new life when maroon kicker Buddy Hickey was stifled in the end zone for a safety. A 28 yard aerial from Pioneer back Ray McDowell late in the game made the score 14—8.

Dynamo Gridiron Effort

Oak Ridge 7, City 0

On a wet Friday night, powerful Oak Ridge squeaked past the Dynamo 7—0. The Dynamos' offense was practically non-existent in the driving rain, but the Maroons' hard-nosed defense bottled up the Wildcats' explosive attack. Oak Ridge's TD came when tailback Jim Quail slogged 21 yards to score. City spent the rest of the night thwarting Oak Ridge threats as rock-ribbed defensive efforts stopped the 'Cats cold. Dynamo defensive stars were quarterback Lyn Powell, halfback Bill McKerley, and end Gary Campbell; together they accounted for 33 tackles. Ed Sussdorf and Jesse Porter pounced on two Oak Ridge fumbles. Using the punt as an offensive weapon Skip Bowman's booming kicks continually set the Wildcats back in their own territory.

Team statistician: B. Poe

Rossville 20, City 0

Aided by penalties and bad breaks the Rossville Bulldogs handed the Dynamos their third straight loss. City took the opening kickoff, and, assisted by a 13 yard pass to Gary Campbell, marched sixty yards down field. When Lyn Powell called another pass he found his receivers covered and carried the ball over the goal himself. The Dynamo fans yelled in shocked disbelief as the referee called a clipping penalty which nullified the TD. This blow seemed to stun the City offensive machine for they gained a mere 18 yards for the remainder of the game. Taking over the ball in the second quarter, Rossville rolled fifty-four yards to score late in the first half, despite fine defensive work by Ed Sussdorf and Gary Campbell. Rossville controlled the ball most of the second half, but were unable to score on the Maroon-clad defenders until late in the game when they picked up a Dynamo fumble for their second score. With four seconds remaining the Bulldogs crossed City's money line for the third time ending the game 20—0.

McCallie 13, City 7

The McCallie Tornados, scoring early in the game, held on to win over the Dynamos. Winning the toss, City took the kickoff on its own 35 yard line and drove to the McCallie 30 with the help of halfback Buddy Hickey and end Henry Brooks. Then the Tornado defense dug in and took over the ball on downs. Two good runs and several penalties moved the ball within striking distance for McCallie, and Joe Vaughn went over for the first score of the evening. After an exchange of punts Ronnie Mercer, Tornado quarterback, turned a 34 yard run into a second McCallie TD. City stormed back and traveled 60 yards down field where fullback Jesse Potter ripped through a hole to the McCallie's line. Potter, City's leading ground gainer for the night, was the Dynamo standout; he accounted for 30 of the 60 yards covered in the touchdown march.

Randy Brown booted the extra point ending the half 13-7. In the second half a Skip Bowman punt rolled dead on the 9 yard line of McCallie. The Tornados found they couldn't move the ball, and, when their punt fell short, it gave the Marrons the chanch they had been waiting for. City's scoring hopes faded as the Dynamos failed to make the one yard needed for the first down.

Bears 19, Dynamos 6

The Dynamos had trouble getting their offensive maneuvers going against powerful Bradley. The Bears ground out 77 yards early in the game to score. Later a City fumble set up a second touchdown making the tally 13-0. Heads up pass defense brought about the only Dynamo TD. Lyn Powell intercepted a jump pass and romped untouched 56 yards to score. Immediately afterward Bradley scored again to kill all City hopes.

City Lashes Everett 28 — 0

The Dynamos turned 4 Bulldog fumbles into TD's to whip Everett 28-0. After taking over a punt on his own 42, Buddy Hickey raced into the end zone on the next play from scrimmage. Darrell Pitts grabbed a fumble to set up the 2nd TD. The Dynamo backfield took turns pounding the line for short yardage until Jesse Potter scored. When quarterback Powell tried to pass later in the game, he found his receiver covered and carried the ball over for the score. With the game almost over, sub signal caller David Grandy pulled the same trick as Powell, ending the game 28-0.

City 12, Murfreesboro 7

Playing in their last game, City's seniors fought hard and beat Murfreesboro 12—7. After playing scoreless ball for 3 quarters, Bill McKerley scored from 6 yards out, climaxing a 46 yard march. In 25 seconds the lead was wiped out. On the first play after the kickoff, Murfreesboro tailback Ted Morris scampered 67 yards to tie the score. Later in the game, Bill McKerley's last run put the game on ice. 4,000 Homecoming fans saw a valiant Dynamo defense stop the blue clad opponents on the one foot line twice to preserve the Dynamo victory.

City Stomps Soddy 26 to 7

City's Dynamos added another victory as they smashed the tough Soddy-Daisy defense. With Bill Kerley and Lyn Powell leading the offensive wall, the Dynamo outlasted the Trojans in every way.

Standouts on City's defensive unit were: Kirk Salter, Darrell Pitts and Gary Payne. Halfback McKerley and quarterback Powell did the scoring as Jesse Potter made up much needed yardage with his terrific running. Leading the Trojans in rushing yardage 4 to 1, the Maroon and White rolled to one of their best offensive shows of the season.

Bowman punts on fourth down.

Soddy back gets nowhere.

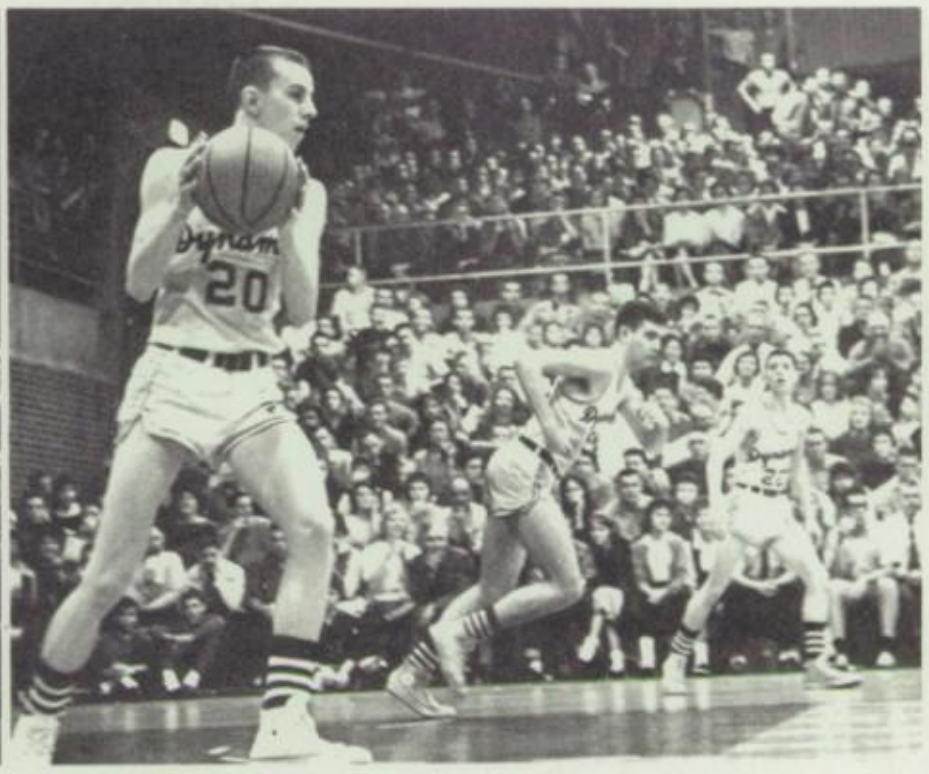
Dynamos Surprise Area Fans

Much to every one's surprise, the 1960-1961 Dynamos proved to be the power-house of District 9. When all-state center Bobby Lovell and top notch guard Houston Frazier graduated, the current opinion seemed to be that the Dynamo dribblers were in for a year of rebuilding. After an overtime victory over highly rated Meigs County and an 18 game winning streak, the truth was known.

This year's team had everything, tall centers and forwards, sharp-shooting guards, a second team almost as good as the first, and best of all, pride in their ability. Using a fast moving, fast lance offense and an elastic zone defense, the team treated the home court crowds to many a victory. Following their 16th consecutive win, both local papers rated this year's Dynamo the number one cage power in Tennessee. The cry "We're number one" started after the defeat of the Meigs Tigers and continued thereafter.

Jim Dickson shoots despite interference from Red Bank's Sanford.



The team moves the ball down floor.

Fine Support Given Team by Loyal Students

At all home games and most road journeys the team enjoyed enthusiastic support. Rabid City boosters repeatedly filled the John B. Steele Gymnasium to root for the Maroons. A good number was usually in attendance at every road tilt at near-by schools. Always highly partisan, students and parents alike followed carefully and loudly the directions of the ever present cheerleaders.

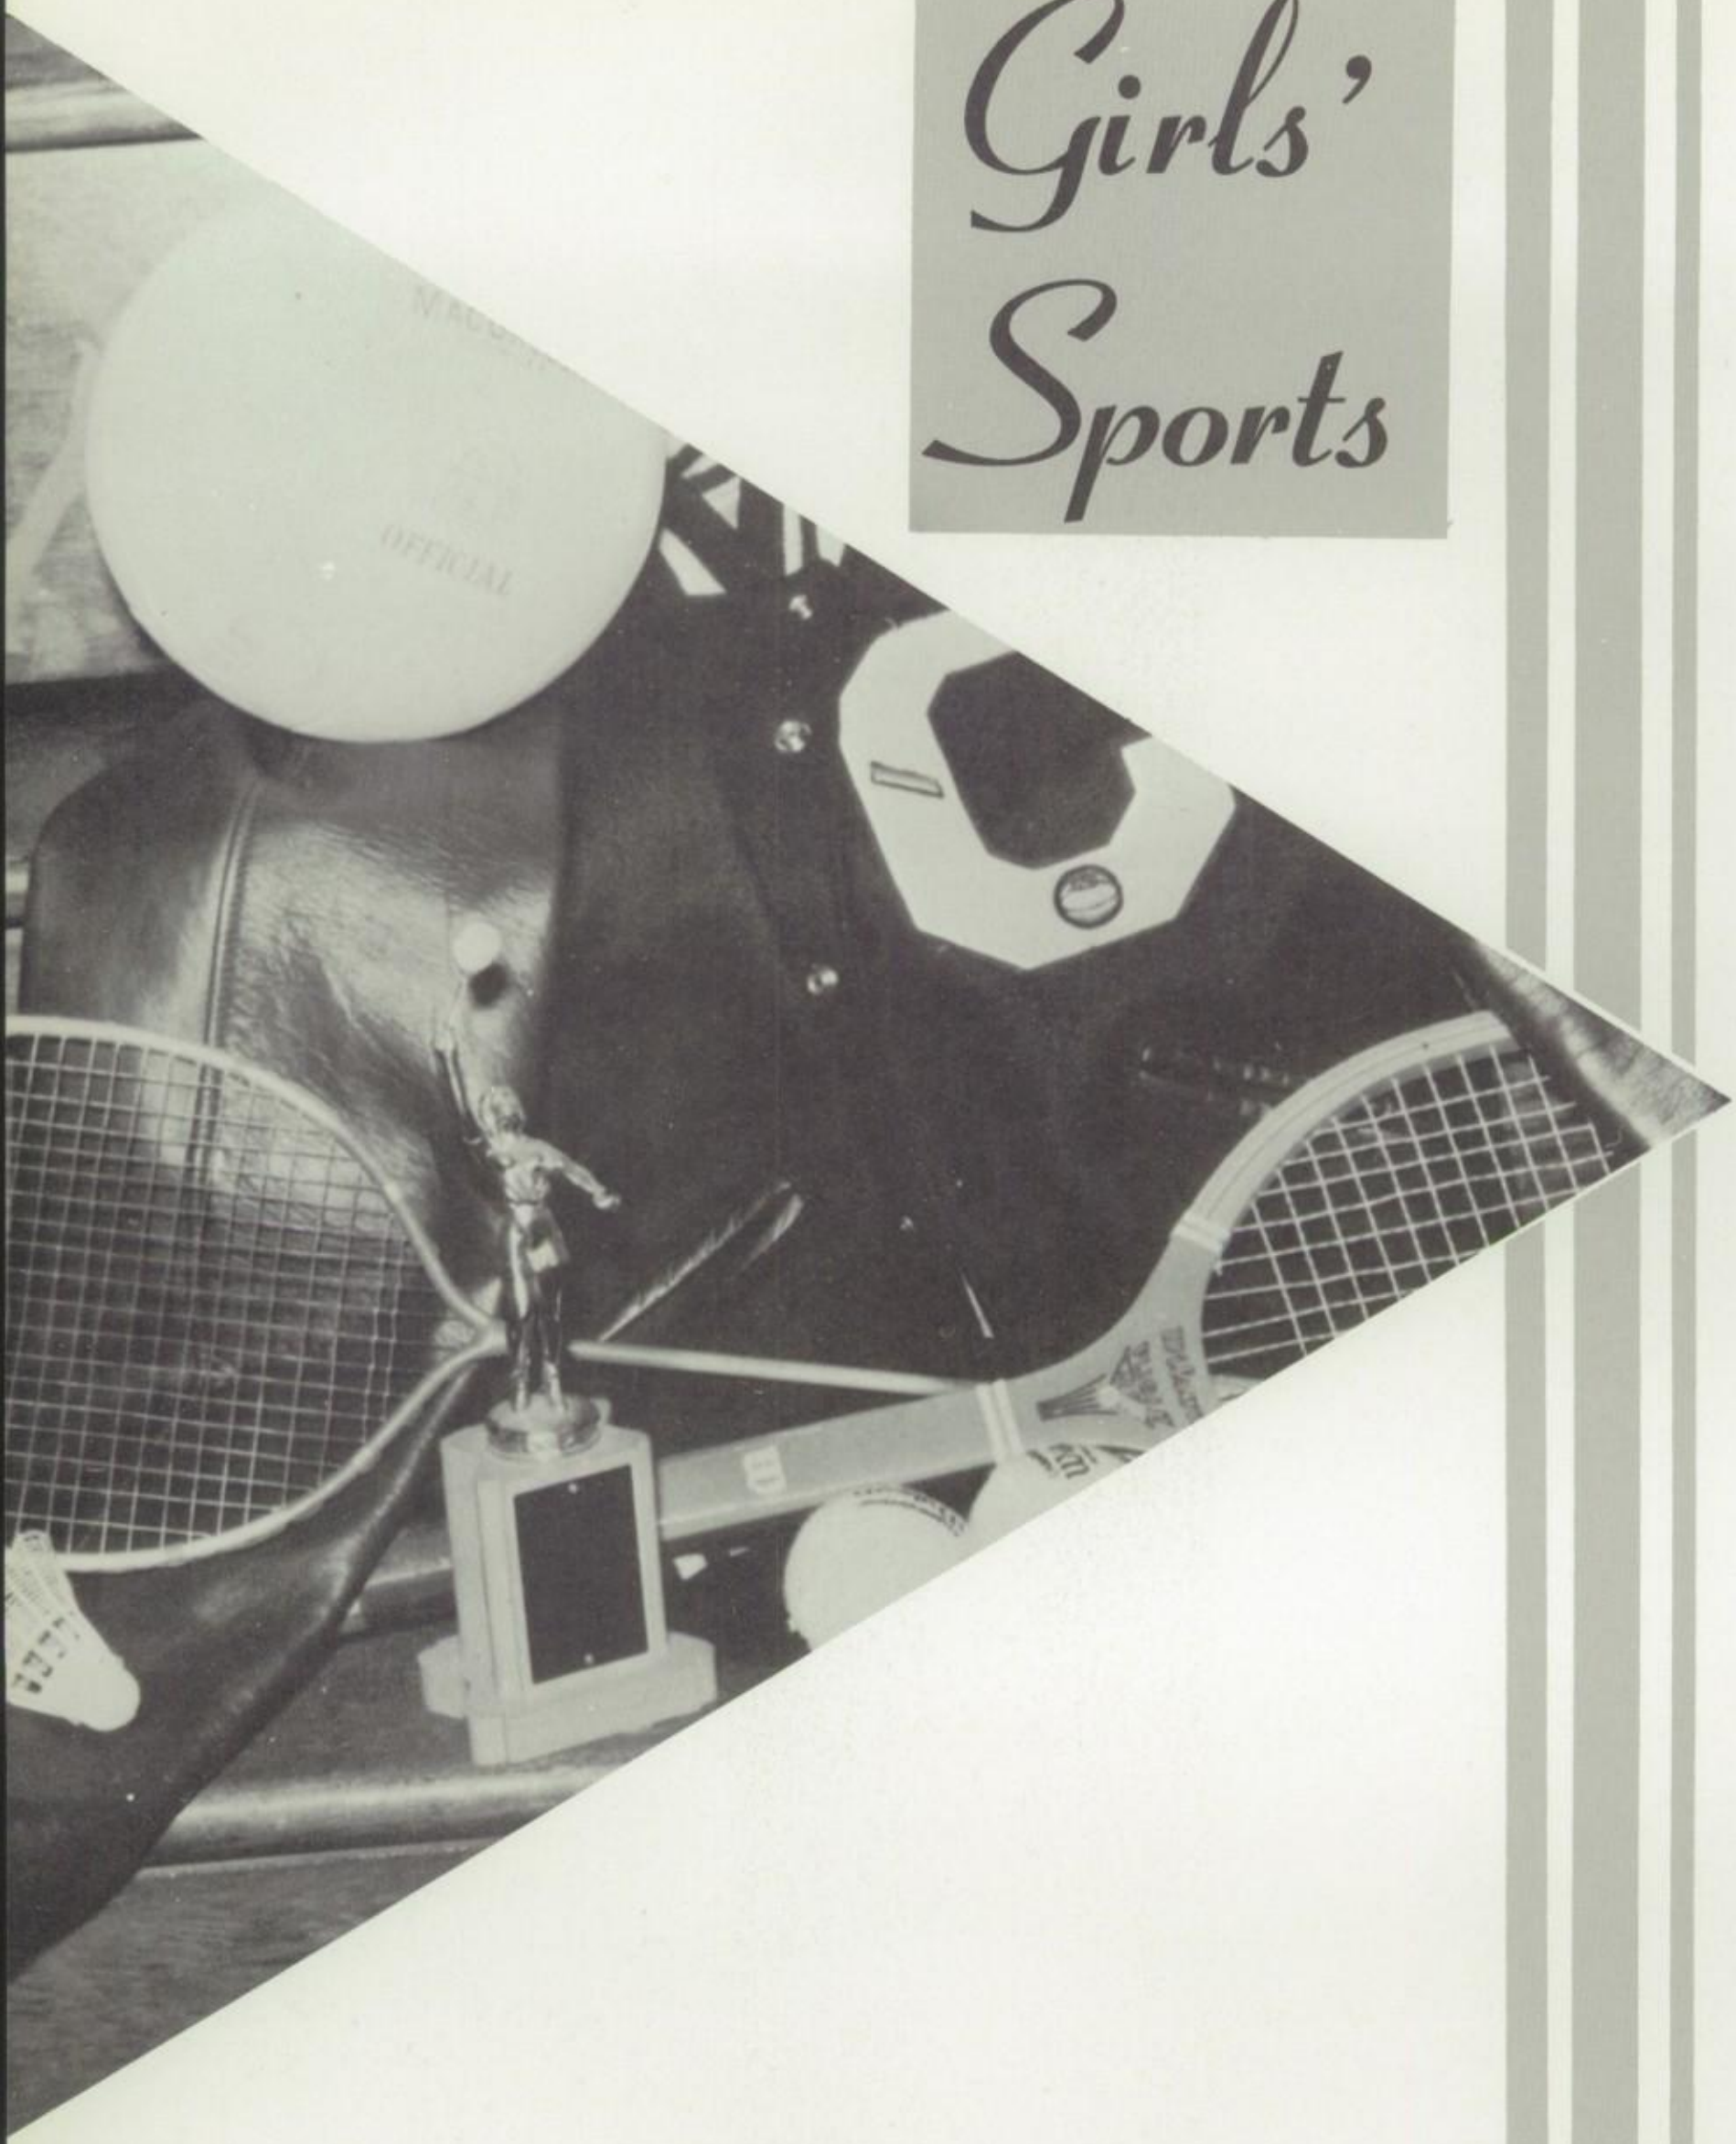
Girls' Sports



Skill and a knowledge of sports' regulations are emphasized. Jenny Heywood tries a foul shot.

Mary Huddleston shoots for two in a game of half-court.

Physical education has long been a vital part of our American system of education. Far-sighted men realized some years ago that both mental strength and physical well-being are needed building a strong nation.

The Chattanooga High School Girls' Physical Education Department offers an extensive program including sports such as basketball, volleyball, archery, swimming, tumbling, tennis, table tennis, and also, modern dance.

Inter-class contests help keep interest high and competition keen and, also, develop skill and good sportsmanship.

Exercises are an important part of the physical education program, and these alternate toe touches really stretch the muscles as many can testify.

Co-captains for '61 are Alice Killian and Pat Sutton here pictured with Mrs. Rodman, the Dynahs' coach.

Killian tips the ball in favor of the Dynahs.

Enthusiasm Sparks

Although the Dynahs came out on the short end of the score, they made up for it in spirit and personal satisfaction. Hard work and enthusiasm polished the girls into an efficient, smooth-running team that consistently treated fans to exciting games.

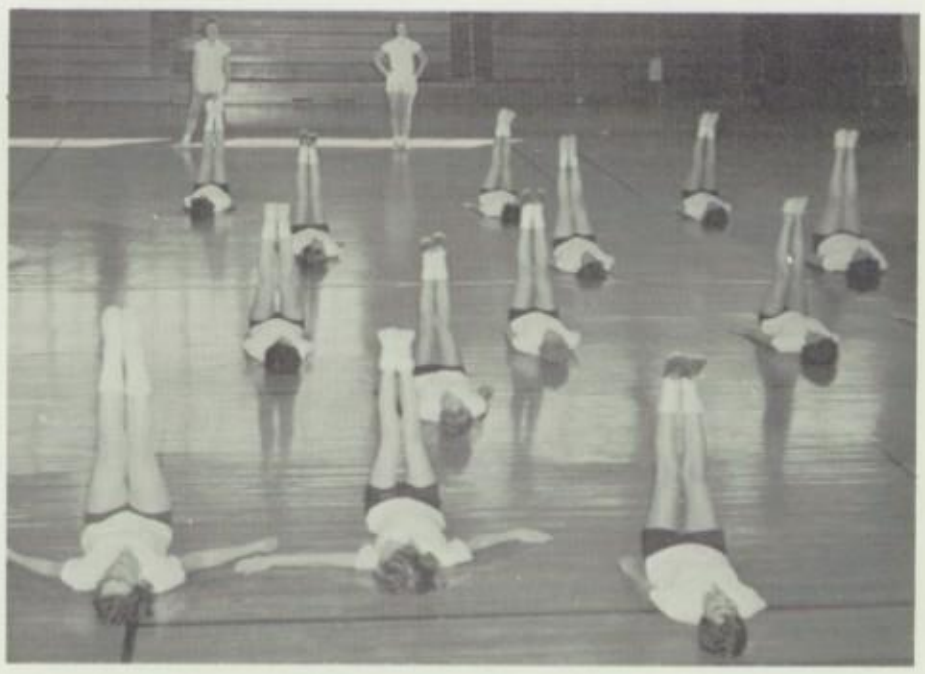
Gym Managers

The Gym Managers are a group of girls who are chosen each year to assist Mrs. Rodman in conducting her gym classes. They check the class roll, lead exercises, and help to organize class activities.

In addition to their gym class responsibilities the Gym Managers have various projects in order to raise money for uniforms and equipment for the Dynahs.

During May Day, which is presented each year by the Physical Education Department, the Gym Managers are honored as members of the May Queen's court.



Roselyn Dynesius and Kay McElroy supervise (and, sometimes, lead) exercises in the fourth period gym class.

Gym managers are B. Buckshorn, B. Burton, S. Lee, B. Frumin, J. McKenzie, J. Goff, S. Farrar, R. Dynesius, B. Tyner, F. Brown, S. Heilman, E. Phillips, S. Polsky, G. Hines, A. Wells, M. Sims, J. Ullenberg, L. Leigh, L. Milliken, G. Moore, M. Phillips, A. McKeehan, P. Jernigan, S. Ives, J. Rucks.

Cheerleaders Sweep Top Honors

C H S can claim a dazzling squad of cheerleaders as a result of hard work and co-operation with their adviser, Mrs. Shutters. Besides raising school spirit, they sponsor our pep meetings and the bonfire before Homecoming.

Our cheerleaders attended a clinic this summer at Cookville, Tennessee, which was to help them improve their cheerleading techniques. This clinic lasted for a week and our squad ranked first over all the others.

We are very proud of our top-ranking squad.

Majorettes

Marching out in front of the band are the high-stepping majorettes. These girls have the difficult responsibility of representing the school favorably through their performances at football games and various parades of the year.

Mr. Tilson, the band director, selects the majorettes on the basis of their twirling and marching ability.

Many hours of hard work during the summer and at school go into their routines.

Forever.
